

## **The Silent Sea – Clint Slate and Iona James**

**Emily Glazener**

### **Brecon Indie Reviewer Team**

“The Silent Sea” by Clint Slate and Iona James is a soothing melodic tune which dreamingly flows high and low with beautiful vocals and accompanying harmonies.

The track throws you into a space as if you are driving into the unknown and there is no way to go or turn back.

The breakdown seems to then play out as a moment of reflection and resolve that then flawlessly curves back into the dreaming effect as guitar riffs dance in and out of the slowing vocals.
