

Gamblin Man - From Sunny Side by Andrew Neil

Michael Lind – Brecon Indie Review Team

Now on Bandcamp.

If you are into Bob Dylan and Good Story telling acoustic folk songs, then this is for you.

Everything that you would want to start with a great story via the lyrics. A remarkably simple tune, just acoustic guitar and vocals.

Sit back and listen to his story as he travels the land and plays cards with a Scorpion.

A good tune to sit back and chill too and let your mind make its own video as the story unfolds through Andrew's vocals.
