

Review: "Alone" by Little Sparrow (Katie Ware)

By: Sophie Dorsten

Brecon Indie Review Team

Katie Ware released "Alone" in July along with a beautiful music video for the song.

The song is about being lost and alone in the darkness. Katie's beautiful and powerful vocals carry the haunting theme of being alone so vividly, throughout.

The music video is dark yet powerful as she searches to escape being "Alone."

Beautiful song and great music video!
