

## **Young Rell - "You Don't Have To Go"**

**Reviewed by Jack Baldwin**

**Brecon Indie Review Team**

This is simply brilliant!

It feels like going back in time to the 1950s and putting on some blues classics like Muddy Waters and, of course, Jimmy Reed on your parent's record player whilst they're out.

I can't believe this guy is only 14!

An old soul with a seriously bright future ahead of him!
