This is a truly beautiful track.

The way the guitars weave in and out of each other in the main hook is simply brilliant and makes for a very satisfying listen.

The drums function as a subtle engine keeping the whole thing going in a perfect way.

The song is just over 5 minutes, however, feels like 2 minutes because it takes you somewhere else, especially if you listen with headphones.

The vocals give the track a great psychedelic feel to it reminiscent of late sixties bands like Jefferson Airplane. Love this one!
