

## **Swimming With The Ghost Angels – The Delerium Trees 2019**

Swimming With The Ghost Angels continues some of the themes explored in the Paradise Will Be album. Six of the songs have vocals, whilst five tracks are instrumentals.

Joining Drew, on guitars for these tracks is Jack Fox, who adds his own style to proceedings, having mainly played with heavy metal bands. In a change of direction, this is his first album appearance.

The album was recorded at Crackerbox Palace, Turriff and ARC Studios, Mintlaw, Aberdeenshire in early 2019. Heitor Alves mixed and mastered the album. Drew has recorded many times at the ARC Studios, most notably with Gavin Sutherland, John Mackie, the Aden Park Brass Band and Sandy Bain.

### **Award**

The Delerium Trees were awarded the trophy for Best Alternative Band during the Indie Star Radio (Los Angeles) annual award ceremony.
